Told in Fewest Words

The sheet scale conference will be held in Pittsburg, Pa., Wednesday. It is thought that an agreement will be promptly reached.

The Chicago, Milwaukee and St. Paul at Milwaukee, which have been running on reduced time since December last, will resume in full, beginning next Monday.

The river Kur has overflowed its banks near the railroad depot of Nawthig in the Tiffis district. Nineteen men belonging to the Nijninovgorod dragoons were drowned.

Hon. Paul Sorg of Middleton, Ohio, says that the political fight this year cut and alone. Mr. Sorg is spoken of as a candidate for governor.

Andranico Sepulveda, a notorious outlaw, is in jall at Enseneda, Lower California. Sepulveda operated in Riverside county, Cal., last year. Sepulveda was captured after a lively chase. Judge Horton today appointed a re-

ever for the Dime National Building the application of a stockholder. Charges of mismanagement and insolvency were

against the fast pacing horse Albatross without a rider or driver. C. H. Anderson of the Arapahoe Wheel club, Denver, has lowered the

oad record for 199 miles from 6:31 to

6:30:30. The former record was made by

A. L. Hachenberger last year and has withstood many efforts to break it. A. S. Austin, the California lawyer who asserted that he could furnish evidence which would save Theodore Durrant from the gallows, has been adjuged insane and will be taken to the

asylum. A complete settlement has been reached with the Van Nortwick creditors and the orsignees have been discharged. The Wisconsin proprietors of J. S. Van Nortwick of Appleton, Wis., came through practically without loss.

The Pleasanton hotel at Fresno, Cal., was fired in three places Saturday evenng. Walter Furnish was arrested, charged with the crime. The evidence against Furnish is strong. He belongs one of the best families in Fresno. Judge Newman yesterday at Atlanta, Ga., dismissed Samuel Spencer as receiver for the East Tennessee, Virginia and Georgia railway. This marks the windup of offairs of the road, which

forms a part of the Southern system. The circuit court at Dayton, Ohio, has verruled the motion of Albert Frantz, the murderer of Bessie Little, for a new trial, and appointed Friday, October 15, as the day of his electrocution. The case will probably go to the supreme court.

Mrs. Dora Richardson Maxwell o Puentein, Cal., will contest the will of her uncle, Joseph Richardson, who recently died there possessed of a fortune estimated as high as \$20,000,000. She is the daughter of Richardson's youngest

In the criminal court at St. Joseph Mo., the case of the state against W. F. Cody (Buffalo Bill) wherein Cody is charged with running a circus without a license, has been continued until July three years of suffering. He says: "I 10. Cody will carry the case to the

It is rumored in Wall street that a de cision has been reached in regard to the presidency of the Northern Pacific and that an announcement will be made on. It was said tha will be carried out and that Mr. Lamont will be elected.

A man at Sequin, Texas, going under he name of Williams, is supposed to be Rev. Thomas Abbott West, a Methodist minister of Chestertown, Ind., who loped from there with Susie Beck, and, t is charged, murdered her in St. Louis in June, 1887.

The steamer Pinance has arrived a New York from Colon with three cases of yellow fever aboard, three others having died enroute. Both passengers and crew have been quarantined, but it s said that there is no danger of a proud of the disease.

The plling supporting the bridge leadng to the pontoon at the Algiers ferry, landing near New Orleans, sank fifteer eet yesterday and several thousands of dollars of damages will result. Further extensive caving in is looked for as a result of the recent highwater.

Louis Sickmiller was instantly killed and Albert Sickmiller, Charles Faile and George Steinhelder were family injured vesterday by an Erie fast express near Mansfield, Ohio. The men were waiting for a freight and had lain down to sleep, and in their sleep rolled upon the tracks E. J. Baldwin's racers will be seen on the eastern turf this season. A string of nine has been shipped from Santa Anita to Saratoga. Some of the maidens in the stable are credited with being profigies of speed. Great things are expected of the chestnut filly La

Marona. Walter Sanger, who defeated O. B. Hachenb rger in a five-mile bleyele race Saturday at Denver, has accepted W. W. Hamilton's challenge for a race for any distance from five miles to twenty-five miles. The race will probably he for five miles and will take piace in July.

Judge Heisermann of the common court at Urbana, Ohio, rendered his deision on the general demurrer to the thirty indictments returned against R. T. Lewis, the bond forger. The judge erraled the demurrer on all points and fixed the date of Lewis' trial for Mon- Japanese production that will be most

The iron scale conference of the Amalgated association and the manufacturers has been fixed for June 30 at Youngstown, Ohio. Trouble is expected, as the Amalgamated association will insist upon the \$4.50 puddling rate, while the manufacturers are opposed to payag more than \$4.

Malone I. Wilson of Waltham, Mass., not and dangerously wounded Magne er a domestic employed in the boarding house of Mrs. Moulton, Wilson's mother, today. Wilson then discharged the westpon at his own head, killing Limself instantly. The motive for the

fired is not known. A sidewalk collapsed in front of 545 South Union street, Chicago, last evening, carrying with it 100 persons, most of them children. They fell ten feet into a foot of stagnant water under the sclewalk. In the scramble which follawed a number of persons were seriously injured. Annie Herman, aged 13, bring trempled on and internally in

Company of Students Enter Inte a Com pact to Allow the Post-Mortem Use of Their Brains to Men of science for the Purpose of Investigation - One Diff. moved-Easy Enough to Get Idiots' and Criminals' Brains But Sound Brains Always Come Bich.

Chicago, June 21.—Pupils of Professor Frederick Starr, forming the Autopsy society of the University of Chicago, have entered into a compact to give should be made for, free silver, clean- their brains to science when they die. Each member will also write out a history of his mental processes from the beginning to as near the end of his life as possible and give a statement of the vices and virtues which have influenced him. Students of anthZropology have found much difficulty in obtaining the cerebral tissue of sound-minded persons. and Loan association, of Chicago, upon | The brains of criminals and insane persons are easily procurable, and interesta person should not be. But to learn the accompanying written chart, it is that has some short-distance records believed that the manifold shades of character may be located in their respective parts of the brain.

CONVENTIONS IN BANNA'S TOWN

ublicans are Hanna's Kind and the Democrats are Altgeld's Kind Cleveland, Ohio, June 19.-The Republican county convention was slow in convening in Music hall this morning and it was nearly noon before the members got down to business. Though the returns at the primaries showed that the the Forsker forces, represented by Mayboasted that when the convention was called to order they would be in charge. The fight was precipitated by the nomination of F. L. Taft, a McKisson man, and Judge Francis J. Wing, a Hanna lot resulted in the overwhelming victory

of Wing and the convention thereafter was clearly in control of Hanna. A resolution ringing in its tone was adopted endorsing Hanna for re-election to the United States senate and then the convention settled down to elect seventy-six delegates to the state convention Cleveland, June 19.-The Democratic the state convention convened in Army and Navy hall this morning. The fight of the convention was upon the question as to whether this county should put a Judge Conway W. Noble had made a campaign for the solid support of Cuyahogs county but he failed miserably in the convention to obtain it. The delegates were practically unpledged. The convention endorsed the Chicago platform throughout. An endeavor was made to restrict the endorsement to the money plank but it was defeated and the entire platform endorsed. The convention had no senatorial preference.

Chicago, June 19 .- According to brokers and commission men, a glucose trust has been formed. Its existence was sus. pected two or three weeks ago, when the price of the "long sweetening" took an upturn on a totally inactive market Since then brokers have been kent huse recording the quotations sent them by

Conrad H. Matthieson, president of the Chicago Sugar Refining company, is supposed to be the prime mover in the new trust. With but two exceptions every big glucose factory in the United States is said to be included in the combine. Mr. Matthleson refuses to talk on

JAPAN CUTS UP ABOUT THINGS Protests Against the Turiff Bill and Ha-

Washington, June 19.-The protest made by the Japanese government against the pending tariff bill is formally embodied in a note from Minister Toru Hoshi of date as late as the third of the present month. The note is couched in he most courteous language but there is owed by acts of retaliation if disregard-

The note begins with an apology for expressing an opinion that under ordinary conditions might be regarded as trenching upon domestic affairs, but cites as justification of the fact that important Japanese interests are involved and that in the opinion of the minister the proposed increase of duties will injure the United States no less than Japan by retarding the growth of the promising commercial relations. The articles of

Whether itching, burning, bleeding, scaly, crusted, pimply, or blotchy, whether simple, scrofulous, or hereditary, from infancy to age, speedily cured by warm baths with Currouna Soar, gentle anointings with CUTICUEA (oils) ment), the great skin cure, and mild doses

Celebrated for its great leavening strength and healthfulness. Assures the food agains alum and all forms of adulteration common to the cheap brands. Royal Baking Powder Co., New York.

seriously affected, says the protest, are light-weight silks, silk handkerchiefs, matting, hemp and jute rags and carpets and tea. In the case of silks, the minister says, the proposed duty will amount to an ad valorem rate of between 95 and 100 per cent and upon handkerchiefs the duty will be 10 per cent more. These ing data has been gathered as to what duties, it is stated, are practically prohibitory and bear upon silks peculiar to paced one mile record before leaving person has been hard. By examination built up in Japanese mattings, now adthe poorer classes. The proposed duty, gave the minister, will be so heavy that the trade cannot survive in this article, not now manufactured in the United States. The duty upon hemp, jute rugs and carnets will amount to nearly 80 per cent and be another severe blow to Jap-

As to tea, the minister says, the sudden change of policy of the United States from free importation to a duty of 50 to 100 per cent has awakened in the Japanese mind the gravest fear for the stabil-Hanne men controlled the convention, ity of the tea industry, for yeears in a depressed condition, although furnishing or McKisson, disputed the control and two-thirds of the tea imported into the United States.

The minister says that while the imperial government does not share the general belief that this legislation was intended to discriminate against Japanman, for permanent chairman. The bal- ese commerce it is an unfortunate coincidence that the imports from Japan are specialties of Japanese production.

In conclusion, the minister says: "As I had the honor to state, the im perial government is far from sharing in a belief for which they find no warrant in the cordial attitude always maintain. ed by the United States toward Japan, but nevertheless they do not think it wise county convention to elect delegates to or prudent to ignore a sentiment which under certain circumstances might have a most unfortunate effect upon the relations of the two countries. They hope, moreover, that it will not be forgotten candidate for governor in the field. that this feeling may be attributed in some degree to the fact that no article of American importation to Japan pays at present anything more than a nominal duty and to the further circumstance that the legislature of Japan has already signified its intention of hereafter levying only the most moderate imposts upon

Washington, June 19 .- The Japanese minister has filed with the secretary of state a formal statement of his government with respect to the proposed annexation of the Hawalfan Islands by the United States. Although it is officially denied that Japan has protested Liberty, Mo., says: Fully ten thousand against the annexation treaty, it is adblackberry pickers have already arrived mitted that that government has rephere and hundreds of others are coming resented in the strongest terms is exin on every train, by wagon and on foot pectation that its treaty rights in Hawai for the season which will open in full small be fully respected in case of anblast on Monday and last for a month. nexation. The letter of the Japanese warded to the senate for its informa

Never in the history of blackberry pick- tion in the consideration of the treaty. An interesting scene was enacted in the diplomatic room of the state department today when all the parties to the signing of the treaty for the annexation of Hawaii to the United States were photographed. There were president a principals, Secretary Sherman, who signed the treaty on behalf of the United States, and Messra. F. M. Hatch, Lorrin A. Thurston and W. A. Kinney. who stened on behalf of the island republic. Those present as witnesses to the agreement were Assistant Secre taries Day, Adee and Cridler of the state

department. San Francisco, June 19 .- A Japanese man of war, the Hi Yie, is on her way to this port. She will receive order here from the Japanese government and it is anticipated that she may be order ed to Hawaii. The visitor will be well comed by the monitors Monterey and Monadnock, which vessels will not start for the north until after her arrival.

HOW MANY CIGARS WE SMOKE Grand Aggregate of the Puffs of the

American People. Washington, D. C., June 19 .- Last year that is in 1896, the people of the United Sthates smoked 4,375,718,974 cigars. The male population in 1890 was a little more than 32,000,000. It has probably increased of 35,000,000 since that date, but more thna one-half this number are under the smoking age, or are not addicted to the a firmness of tone observable that Indi- tobacco habit, or smoke pipes exclusive cates that the remonstrance may be fol- ly. Therefore, it would not be unfair to estimate the cigar smoking popula-

tion at 12,000,000. It is probably less than that, and dividing the total number of cigars consumed by that figure if will be seen that the probable averag per capita is 365 per year, or one a day. There is a gradual increase in the consumption of cigars. In 1894 the total was 4,105,170,883. In 1895 it was 4,202,-540,503.

The popular idea about the consump tion of imported cigars is far from the facts. People will be surprised to know that the number imported in 1896 was only 36.935,729, which is insignifican when compared with the total above giv-The Cuban revolution appears to have had very little effect upon importations. There was an increase of 1,102. 108 in the algars imported from Cuba in 1895, the first year of the revolution, the second year of the revolution, there was un increase of about 400,000 over 1894.

The number of cigars made in the United States from Havana tobacco is more than double those imported, but is also insignificant when compared with the number manufactured from domestic tobacco. Taking Cuba and Sumatra tobacco together, the total was only \$7,-000,000 last year.

The exports of cigars from the United States are very small, and the number is rapidly decreasing. In 1834 we sent 1,894,740 cigars to foreign countries. 1886 we sent 1.095,411.

LATE NEWS BY WIRE.

Washington, D. C. June 18.—The postmar ter general has ordered the consolidation of the postoffices of South Les Angeles, Uni-versity, Vernondale and Pico Heights will the office at Los Angeles. London, Eng., June 18.—The presence in Lodon of the Rev. W. H. Milburn, the blind chaplain of the senate of the United States, has attracted a great deal of at-tention. Accounts of his life have been

Shang Hai, June 18.—Anti-foreign riots have broken out in the province of Kian-Su. The English mission at Wuchen has been destroyed and the refugees have arrived at Kin-Kang. The Cathole mission was raved by the intervention of the troops. London, Eng., une 18.—F. E. Bacon, the English champles long-distance ruppes London, Fing., une 12.—F. E. Bacon, the English champion long-distance runner, today ran against the one-hour record of 12 mles, 970 yards, which he succeeded in break ing, covering it miles and 1,234 yards. There was a steady downpour of rain throughout the race.

Berlin, Germany, June 19.-The emperor has aroused further adverse comments by employing a battallon of Koengsberg Sap-pers in erecting buildings on his estate of Therbude, Eastern Prussia. The Social-ists and Freissenergs will bring the matter up in the reichstag.

Syracuse, N. Y., June 19.—Three thousand people who expected to see Edd'e Bald and Tom Cooper right it out in the mile open at the state circuit races today, were disappointed. Bald won his heat in hollow fashion. Cooper was caught behind the bunch in the stretch, and after a weak effort to get around his field, rode to his quarters, and was roundly hissed. Bald took the final heat, winning from Steenson. New York, June 26.—Miss Julia Corson. New York, June 26.—Miss Julia Corson, familiarly known as the "mother of Cookery," whose work on culinary art made her name a household word over the country, died in this city on Friday from the effects of an operation for the removal of a tumor. The railroad strikes in 1877 brought her into prominence. At her own expense. tumor. The railroad strikes in 1877 brought her into prominence. At her own expense she circulated 50,000 copies of a book showing workingmens wives how they could prepare a substantial ment for 15 cents. In 1889, she became the editor of the Household Monthly, a Boston publication.

Springfield, Ill., June 19.-During a thunderstorm today Christian Gonalt, alias Chris Minnekin, was killed by light. ning while plowing in a field near Farmersville. It was discovered on searching his person that he had about \$25,600 in each. He had been leading a miser's life. He leaves a daughter, supposed to be in Kansas or Nebraska, who will fall heir to the money.

Recently a woman in New York City, who went into a store to buy a well known medicine, was persuaded to take something "just as good." She took it and died from the effects of it. A suit for damages is pending.

That Brief. One of the leading attorneys of the state, living two hundred miles away, writes to a leading attorney of this city, sending him copy for a hundred page brief with the statement that the last brief the Eagle people printed for you was the finest I ever saw.
